START YOUR CAREER WITH THE BEST COMPANIES

Over 550+ companies visited JBIT for placements. With the best brands and challenging job profiles on offers, JBITians get a wide choice of career starts.

EXCELLENT TEACHING LEARNING PROCESS

Our team of qualified & experienced faculty ensures that every student must understand the subject and also train them to be lifelong learners.

VALUE ADD ON COURSES

These courses are conducted after class hours or during semester break by professionals and industry experts which help students stand apart from the rest in the job market by adding further value to their resume.

START-UP CULTURE LEADING TO INNOVATION

We encourage students to come up with innovative ideas to emphasize on benefits of self employment & offer dedicated modules on enterprise development.

INTERNATIONAL COLLABORATION

ICXnet Corporation, Japan & NBR NEW IT Systems India, New Zealand has signed an MOU with JBIT Institutions to develop 'Artificial Intelligence' based innovative devices & to have a swift move towards Industry 4.0 setup.

ERP SYSTEM

In order to enhance the efficiency & quality in all the functional areas in the college, ERP system has been implemented in the college campus. "SMS alert" are being sent to the parents on daily basis or on necessity basis. Attendance/ Marks/ Assignments / Teacher Notes are being uploaded in the portal for the students to refer to them on necessity basis.

FACULTY GUARDIAN FOR STUDENTS

We believe not only in educating our students but also parenting them by providing emotional support to students on individual basis, helping students overcome home sickness, establishing rapport between teachers, student & parents, monitoring attendance and behavioral aspects of every student, identifying weak areas and working out remedies helping students thereby taking their complete care.

HOSTEL

The Institution has three on-campus boys hostel with a capacity of over 500 students and one girls hostel block with a capacity of over 150 students. The hostel mess is equipped with modern appliance and serves pure vegetarian nutritious and hygienic food. 24 hours security with CCTV Surveillance System & armed guards in the night.
